19<sup>th</sup> January 2015

Dear Headteacher,

**Students in S6 holding unconditional offers for the University of Edinburgh**

Over the next few months we will be contacting any students studying in S6 who have received unconditional offers to study at the University of Edinburgh.

The purpose of the letter is to encourage students to continue to commit fully to their S6 studies in preparation for their move to university, whether at Edinburgh or elsewhere. Studies undertaken by the University of Edinburgh show that students who have worked hard and done well in S6 make the smoothest transition to university and get better degrees as a result.

Our assessment of an application to study at Edinburgh will have included any S6 studies and predicted grades. If a student plans to drop any subjects in S6 that were included in their UCAS application we strongly advise them to contact us first.

A copy of the letter that has been sent to your students is enclosed.

Yours sincerely,

Rebecca Gaukroger  
Director of Student Recruitment & Admissions
