## Greetings!

Hello and thank you for reading our Christmas Newsletter. Also being passed on to you today is a letter from Laurence Findlay, our Director of Education & Children's Services.

As with the rest of society, TGS is continuing to adapt what we can and are unable to do to suit the ever-changing health situation and accompanying guidance. We received very favourable feedback in November from both pupils and business colleagues around our scaled-down Careers event. We have made great use of the

new outdoor John Swan Atrium to hold our Prince's Trust Christmas Fair and PiP Christmas Wreath-making event. Sadly, our Christmas Dances and Theme Day are now in the postponed category. IF and when there is a change that allows us to proceed with these, we will certainly look for a window of opportunity.

We will find out during this two week break if there is to be any updated advice from Scottish Government over what schools will look like post-Christmas break. We will communicate this out to you as soon as we are able to. On behalf of all colleagues and pupils at TGS, I wish everyone a happy and healthy festive time 😊. Enjoy!

### **Promoting Positive Behaviour update**

TGS introduced a new Promoting Positive Behaviour policy after the November In-Service days. We are happy to now be communicating more regularly with families around celebrating success and flagging up concerns earlier. So far, we are very happy with the feedback received and pupils are noticing the difference too in a positive way. Thank you for your support and partnership around this!

### **Parents Meetings online**

Current Covid-19 guidance does not allow us to have face-to-face parents' meetings this session. However, TGS has purchased an on-line facility that does at least allow for short online appointments. We have trialled this with S4/5/6 families and feedback has been relatively positive from both families and School colleagues. We apologise that your appointments may seem shorter and are on a timer that cuts-off on the exact second an appointment is finished. This is simply to keep the evening on track for all and out-with our control.

You will receive information to help you make your bookings in advance of the Parents' Meeting. If you are unable to make use of this facility, please do contact TGS and we will make alternative arrangements with you. Thank you for your patience and understanding with this as we adapt to changed times!

### **SQA**

As I write this, the planned SQA full exam diet is still scheduled for next year for all National 5, Higher and Advanced Higher pupils.

(see TGS calendar dates for the start and end dates + timetable link below):

[https://www.sqa.org.uk/sqa/files\\_ccc/nq-2022-exam-timetable.pdf](https://www.sqa.org.uk/sqa/files_ccc/nq-2022-exam-timetable.pdf)

<https://www.sqa.org.uk/sqa/41615.html> (Personal exam timetable builder)

N.B. TGS **can and will change the start and end times of SQA exams** to suit our own requirements. These will be intimated nearer the time. The above SQA links will give you the correct **day, but not necessarily the time.**

To give our pupils the experience of what an exam diet is like and to support us with gathering evidence of learning, there will be a 'Prelim' diet for S4/5/6 pupils in exam subjects, beginning on January 12<sup>th</sup>. Pupils will attend TGS as normal during this time.

## Traffic, parking & road sense around TGS

During these darker winter days and afternoons, we want to continue to remind you about the dangers surrounding traffic congestion and parking in the mornings, lunchtimes and at going home time.

**All** pupils should remember to use the service of our Crossing Patrollers at all times on Castle Street in particular, when going to and from TGS. **Wait** until the Patroller has stopped all traffic and it is safe to cross. **Do not** cross yourself near or beside the junction as this causes danger and confusion with motorists.

IF you drop off/ pick-up your child near TGS, do find a safe setting-down place that is well away from our crossing patroller and does not obstruct anyone's vision and line of sight who may be crossing the road. Be very mindful also of the many minibuses and large coaches which need access to the School and take-up a substantial part of the road when entering and leaving the area around TGS.

We also do have pupils who cycle to TGS. Make sure you leave adequate room for them if you are overtaking and check your blind-spots when turning corners. Let's all work together to keep everyone safe!

### COVID-19 asymptomatic testing programme: for everyone!

New Scottish Government guidance means that any pupil who wishes can now simply collect a supply of test kits and step-by-step guide from our School Office.

**N.B.** This regular testing is **only** for individuals without symptoms. Those with symptoms must continue to follow national guidance. People with symptoms **must not** rely on a negative LFD result to continue to attend School. Book a PCR test!

**Reminder**, if any member of a household has a positive + LFD, **the whole household must self-isolate**, until a PCR test is booked and the result is confirmed. If **any** member of a household has a positive PCR test, the **whole household** must self-isolate for 10 days.

### Steps for a Sustainable Christmas

We know sustainability is probably not something you associate with the festive season, but here are a few simple things you can do that will make a collective impact:

1. Make your christmas dinner with locally grown/sourced meat and vegetables (e.g. Thorneybank Farm Shop near Forgue)
2. Make sure you use your food waste bins for any leftovers you don't eat
3. Get creative with your gift-wrapping and use recyclable paper (standard wrapping paper can't be recycled)  
e.g. Newspaper, brown paper or even reusable fabric gift wrapping
4. Support local shops when buying gifts for loved ones (e.g. Huntly's Ethical Gift Shop)

## **Direct payment of Free School Meals for December 2021 holidays**
