P7/S1 Transition Information and Update

Dear Parent/Carer,

I am writing to update on some key information regarding this year`s P7/S1 Transition to The Gordon Schools.

P7/S1 Transition Video and Parent/Carer QA Form

Apologies for the delay in the release of our initial Transition Video. This will be available on The Gordon Schools You Tube Channel later today (Friday 12th Feb).

We had very much hoped to release this earlier but due to our recent bout of “interesting” weather some of our key pupil participants were unable to access the school. Under ‘normal’ circumstances our feedback would suggest, that the aspect of our Information Evenings which Parents/Carers often find the most beneficial, is the opportunity to discuss any queries or concerns directly with a member of our team. P7 Parent/Carers who have any questions are encouraged to complete our online form so that an appropriate member of our team can make contact to assist with their query.

Enrolment Packs

Enrolment Packs have been posted to all P7 Parents/Carers. Within the packs we have enclosed a flyer providing guidance on how to complete the forms. We would appreciate completion and return to The Gordon Schools by **Friday, 26th February 2021**.

New S1 Pupil – School Transport Application

Applications for School Transport should be completed online via the following link. This link will also be sent to all eligible Parents/Carers in a separate email.

National Entitlement Cards

The National Entitlement Card Office will send the P7 printed applications direct to Primary Schools at the beginning of March which should be distributed home and then returned to the Primary School as soon as possible.

We continue to look forward to welcoming your child to The Gordon Schools community.

Yours sincerely,

Alan Johnston
