

Marr Log Bank

Trusted Referrer Invite

We are facing another hard winter, with rising fuel bills and the cost-of-living soaring.

Marr Area Partnership set up the Marr Log Bank in 2022 and are pleased to have received funding to allow us to help those most in need again for this year.

We aim to:

- Relieve fuel poverty in Marr
- By providing seasoned firewood to those in-need
- Working alongside existing agencies already supporting households in poverty

With wood donated from local Estates and Aberdeenshire Council, and generous funding support from The MacRobert Trust and Cairngorms Trust, we are now ready to distribute this firewood, currently available in netted bags (approx. 15kg).

As Trusted Referrers, could you help us to distribute these to those in need? Being in, or closely-connected to, your communities you are well placed to know who would benefit the most from firewood this winter.

Contact lindsay@marrareapartnership.org.uk for more information on how to make a referral.

Many thanks.

Gillian Needham

(Volunteer Board Member, Marr Area Partnership)

With grateful thanks to our funders:-

CAIRNGORMS TRUST
GIVE • PROTECT • GROW

THE MACROBERT TRUST

Together, we can help people heat their homes and not face the terrible question of heat or eat this winter.
